### **Sister Margaret Ann's altar training sessions**

Thank you to Sister Margaret Ann for the sessions she has already done showing us how to set up the altar for Communion and telling us about various liturgical matters. The evenings were well attended and were found to be extremely interesting and informative. Sister has kindly agreed another two dates for anyone who is interested (not just churchwardens), both lasting about half an hour. The dates and venues are:

**Thursday 22<sup>nd</sup> May at Howsham Church 7.00 p.m.**

**Thursday 5<sup>th</sup> June at Flaxton Church 7.00 p.m.**

*Dear friends*

**Signs of Spring and Summer!**

Well, just to say that Thelma, Alfie and I have been made to feel so welcome here – thank you all so much. Having now been officially Instituted, Inducted and Installed (good old Church of England....) I am here at your service. I do hope to meet as many of you as possible over the coming weeks and months, either at church or at social occasions.

It was lovely to come here in Spring, just before Easter. It is such a season of hope – full of potential and anticipation as to what the summer might bring. After the bleakness of winter, it really is a time for new beginnings. And to arrive and celebrate Palm Sunday through Easter and beyond, biblically echoes those changes of melancholy to joy, darkness to light, death to resurrection.

For me, Jesus was all about demonstrating to everyday folk like you and me what the Kingdom of God was all about: through his teaching, stories, prayer life and miracles. He showed people how the Kingdom can transform lives. And I hope my time here will be spent in sharing with you this Kingdom that he talked about – and perhaps showing how it can transform your life too.

So, as nature shows us signs of spring and summer, so too I hope to show you signs of ‘God’s Kingdom’ – and how together we can become ‘Kingdom People’.

It will be a pilgrimage that each of us can share if we wish – and having been a traveller for many years, it truly is a joyous (yet sometimes challenging!) journey that can take you into some very unexpected places. But it’s always a journey worthwhile and so, so rewarding.

So, I look forward to meeting you one day soon – I’m always open to an invite for a cup of tea and a chat – and perhaps we can share stories of our own pilgrimages together.

Yours in Christ

*Revd Chris Wingfield*  
*Rector of the Harton Benefice*

## *A note from the Joint PCC.....*

Over almost exactly two years, in the absence of a vicar in the Benefice of Harton, I have acted as lay chairman of the Joint PCC. Now that Chris Wingfield has joined us as the new rector, I am extremely pleased to be able to hand over the reins to him. **Chris will chair the next meeting of the Joint PCC, which will be held at 7.30 pm on Thursday 15<sup>th</sup> May at Abbey House, Claxton, the home of Brian Atkinson.**

Ray Barry, who has been the secretary of the Joint PCC since its inception and of the Benefice Council before that, has decided to retire. We thank Ray very much for the many years of hard work he has given in several roles across the parishes. We wish Ray and Jo well for the future. Wendy Holman has kindly agreed – without too much arm twisting – to take over as secretary, and we look forward to working with her. She will be joining the other co-opted member, David Fletcher who is the honorary treasurer.

If you would like any items discussed at any of the Joint PCC meetings, please pass them on to your parish representative. **The parish representatives are:**

<b>Mike Le Masurier</b>	Crambe	<b>Ida Terry</b>	Flaxton
<b>Sylvie Diggle</b>	Foston	<b>Delyth Harran</b>	Gate Helmsley
<b>Brian Atkinson</b>	Sand Hutton	<b>Janie Bell</b>	Whitwell
<b>Jane Herbert</b>	Upper Helmsley		
<b>Gill Littlejohn</b>	Bossall, Buttercrambe and Howsham		

During the interregnum, we have been grateful to all those priests who have helped us out by leading Eucharistic services. We are especially grateful to Revd. Rachel Benson and Revd. Jeremy Valentine, who have borne the brunt of this work and have always been willing to help. Jeremy has been particularly helpful in conducting the majority of the Wednesday morning Holy Communion services. A very big thank you to everyone.

The next Circular will need to include the dates for Harvest Thanksgiving services, so I would be grateful if those of you who are arranging such services could let me have the dates and times as soon as possible so that I can include them in the service rota for August to October.

I end by thanking all those who have been of so much help and support over the last two years. Notably the members of the Ministry Team, members and honorary officers of the Joint PCC, all the churchwardens, the Circular editor and printing team, and those who have been willing to come together to sing and play music on special occasions.

*Delyth Harran, Lay Vice Chairman*

## *Institution, Induction and Installation of.....*

### *Reverend Chris Wingfield*

We are extremely pleased to welcome the Reverend Chris Wingfield as the new rector of the Benefice of Harton. A splendid service for Chris's institution, induction and installation was held at St Botolph's Bossall on the evening of Wednesday 9<sup>th</sup> April, led by the Archbishop of York, the Most Reverend Dr John Sentamu. The Archdeacon of York, the Venerable Sarah Bullock, and the Assistant Rural Dean, the Reverend Andy Bowden, also played leading parts in the service.

A great deal of work had gone into preparing for and running of the service. We are very grateful to all those who took part in the service itself, through reading, leading the processions, the presentation of symbolic gifts and greeting the new rector. It was especially pleasing that several young people had been willing to take part.

Thank you to Geoff Walker for playing the organ at the service and to all who came together from across the benefice and beyond to form an impromptu choir for the occasion. There was much praise for the choir's singing of Mozart's Ave Verum Corpus, but the congregation also fully played their part in swelling the singing of the four hymns, each of which had been chosen by Chris for very specific reasons.

Mary Denison and her stalwart team took charge of all the practical arrangements – clergy robing, seating the congregation, the collection and parking, and the provision and serving of tasty morsels for the reception after the service. Very many thanks to you all. We are very grateful to Lady Susan Watson who kindly allowed us to use her home, Bossall Hall, for the refreshments. The relaxing atmosphere at the Hall brought the evening to a very happy close.

We warmly welcome Chris and his wife, Thelma, (not forgetting Alfie the dog) to their new life at Sand Hutton Vicarage. We hope they will be very happy living among us in these communities and we ask for God's blessing on their new ministry

## *To The Editor*

May I through the courtesy of your columns express my thanks for the presentation which was so kindly made to me at the conclusion of my 'farewell appearance' at Flaxton church in February.

It has been a pleasure and a privilege to share in and sometimes lead the worship in the benefice over the past fifteen years of my retirement. I am very fond of all your churches and it has been a joy to get to know you all and the villages around which I used to cycle when, as a boy, I came to spend the summer holidays with my

*Paul and Pat Conder*

Grandma in Strensall during the war. There have been so many changes in the intervening years, and now it is time for Pat and myself to recross the Pennines and embark on a second retirement, this time in the city of Chester.

There is a certain appropriateness about this, for I was sponsored for ordination by Chester Diocese sixty years ago, and we managed to secure our apartment in a retirement village just five minutes away from the cathedral, and near to one of our daughters, which should suit us very well.

We shall miss you and the beautiful area you inhabit, and think of you often as a new era in the history of the benefice begins under the leadership of Chris Wingfield.

May God bless you richly in all that you undertake for Him, and if by any chance you should organise a Parish outing to Chester, it would be lovely to meet up with you again!

*Sincerely yours*

*Paul Conder.*

*Old friends reunited.....*

Bryan and Dot Mills celebrated their 80<sup>th</sup> birthdays at the beginning of March, a wonderful event in itself. However they did not keep their celebrations to themselves, and as well as family and friends, the family of the church of which they are such a special part, and to which they have contributed so much over the years, were able to join in.

Bryan met Mike Ely in 1955 whilst doing his National Service in the Royal Engineers at Midhurst in Sussex. Bryan recalls, “Michael had just come out of training and he was very unaware of how the Royal Engineers worked. He knocked on my office door, standing to attention saying ‘can I speak to you, Corporal Mills?’ I told him we’re a working unit, we don’t have time to talk like that we need to get working” and so began a lifelong friendship.

*Bryan, Dot and Mike outside St Mary’s Church, Sand Hutton*

When Mike left the army he became an ordained Methodist minister spending the rest of his career in the church. Mike had driven up from Truro in Cornwall to share the birthday celebrations and on Sunday March 9<sup>th</sup> he came to preach at the service of Holy Communion at St Mary’s Church, Sand Hutton. He preached a lively sermon. In addition to regaling us with amusing anecdotes of both his long association with Bryan, and his experiences in the pulpit, he also reminded us that life and religion should be joyous. After the service a presentation was made to Bryan and Dot, and over coffee and cake everyone had the chance to wish them well.

*From Bryan and Dot.....*

Thank you to everyone for all their good wishes, cards, flowers and various other kind gifts that we received on the occasion of our 80<sup>th</sup> birthdays. 78 cards adorned our sitting room making a likeness to Christmas mid-season! We enjoyed some great ‘get together’ times with our extended family and friends from far and near, and have lots of happy memories to treasure.

News views and information from:

### **BOSSALL**

Since the last report activity has been quiet until the induction of Chris as our new -and first- RECTOR !

Before that we were pleased to welcome the Yorvik Group who were doing a series of visits to churches of interest. Some 25 were in the party and were addressed about the history of the Church and expressed their admiration for the building and its peaceful site.

People may well have noticed that the stone wall between the 2 gates has been exposed as a result of the pollarding and work on the old boundary trees. The work has really opened out that side of the building and when the wall work has been completed and new gravel put down the improvement will be considerable. However it does entail a faculty and that takes its time! The PCC has decided that the cost of the new wall will be met or helped by the legacy from Margaret Leaves and a plaque recording that will be part of the work.

The induction of our new rector will be recorded in detail elsewhere but one does have to say how pleased that Bossall was able to host the occasion and a very real tribute must be paid to the MANY helpers who prepared the

church in so many ways that it all seemed to work without too many problems. Thanks are due to Lady Susan for hosting the reception afterwards and for the helpers before, during and after for the work -seen and unseen. Whether the photographs taken at the Old Vicarage of the Archbishop and party will surface remains to be seen!

However a great occasion to be remembered - not only for its significance but for the way it brought together all our supporters and well wishers and augers well for the ongoing health of our Benefice, which we trust will be enjoyed by Chris and all his family.

## **BUTTERCRAMBE**

### *Concert at Aldby Park*

In support of Buttercrambe church, another concert was held at Aldby Park on March 23<sup>rd</sup> by kind permission of George Winn-Darley, who would appear to have had little option since his wife Sara took a supporting role in the singing, and played the major part in providing the supper which followed the

sell-out event. Not to mention the disturbance of her normal Sunday evening watching television instead of watching 60 people exploring her home.

The usual suspects took part, bullied into both tune and submission by Carolyne Storey; again, as usual. The repertoire ranged from 'West Side Story' through to 'Carmen', interspersed with readings from the resident team. The whole evening was most enjoyable and raised an a sum of in excess of £400 for the church. The precise figure is yet to be announced due to the Barrys and Winn-Darleys both taking off for holidays immediately after the concert. Independent Assessor's report on 2014 finances will confirm that these two events were unrelated'.

**By the way, villagers,  
two of you are needed to fill the roles of  
Secretary and Treasurer to the PCC. Pronto!**

The high intellectual bar for these offices is considered to have been reached, (breached if you like) if you can tie your own shoe laces and fasten the top button of your blouse or shirt.

**Without officers, there is a sure-fire Church of England default  
procedure that heads straight for closure.**

Your erstwhile Secretary & Treasurer still has your interests at heart and is progressing the 2013 Gift Aid reclamation of a few hundred pounds on your behalf - but then, **that's it.**

***It's your church in your village; it's up to you.***

## **CRAMBE**

Sadly we must report the untimely death on March 4<sup>th</sup> after a short illness of Espie Bleasdale of Barton le Willows. Espie was friend to many, and a great stalwart of Barton Village Hall. Her drive, commitment, enthusiasm, and sense of humour will be greatly missed. We offer our condolences to her family and friends.

After a mild but wet winter- although mercifully spared the excesses of the south of England, spring is starting to show through as we approach Easter. Blossom is everywhere and the trees are greening up. In Crambe the traditional signs are evident, Ron and Florence Verity's Jacobs sheep have produced a fine crop of lambs who have already started to eat their way through the churchyard grass. A sleek black Dexter calf appeared in Sam Cook's field a few days ago, and Mick and Liz Jay's bearded collies once again took Crufts by storm with 'Leroy' shown by Laura Jay, taking best in breed.

So far this year we have had three services. Mothering Sunday was celebrated at St Michael's and to mark the occasion everyone was presented with a small posy of flowers.

April 11<sup>th</sup> was a very special occasion for St Michael's with the marriage of Fiona Borthwick, daughter of Ian and Dawn Borthwick of Beck Farm here in the village, to Richard Bielby. The sun shone and it was a glorious day, the bride looked radiant as she arrived in a pale blue and white camper van.

She was preceded by the groom who arrived less spectacularly in an ancient Series One Landrover hiccupping noisily up the village on two (or less) cylinders! The groom and his supporters immediately dived under the bonnet of the limping vehicle and managed to rectify the problem before the service began. The beautifully decorated church was filled with family and friends. Jeremy Valentine conducted the service (his Labrador jokes are a winner every time!). The village turned out to wish Fiona and Richard well as they started a new phase of their lives together.

As ever fundraising is vital to our survival, the year got off to a good start with the coffee morning at Barton le Willows village Hall raising a grand £480. Many thanks to everyone who helped.

In June we have a Quiz night at Barton Le Willows village Hall, and In July there is a concert by the Ad Hoc Ensemble with the theme of 'This Green and Pleasant Land' and (see boxed adverts for more details of both events)

The big news of course is the arrival of The Revd. Chris Wingfield as our new Rector. Welcome Chris and Thelma and of course Alfie too, we are delighted to have you with us.

Our thanks go to Delyth Harran, Lay chairman of the Joint PCC for all the hard work she and the ministry team have put in during the difficult period of the interregnum. We also thank all our visiting retired clergy who have officiated at our services. Our best wishes go to Paul and Pat Conder who are retiring (for the second time!) and moving across the Pennines to Chester.

## FLAXTON

On 2<sup>nd</sup> April the PCC Annual General meeting was held and Wendy Holman and Ida Terry were elected Churchwardens.

Our traditional Pancake Party held on the 4<sup>th</sup> March was very well attended and much fun was had competing for top marks in the pancake flip competition.

In March, Paul (Conder) took the Benefice Eucharist Service and announced that it would be his last service before moving away to live closer to family. Paul was thanked by Sister Margaret Ann on behalf of everyone in the Benefice for his work over the years and particularly during the interregnum.

*Sister Margaret and Paul Conder with the simnel cake*

During the service for Mothering Sunday the children handed out posies of daffodils. Posies were also delivered to people in the village who were unable to come to the service. Afterwards Sister Margaret Ann cut the Simnel cake which we all enjoyed with a cup of tea.

Fund raising events held in March and April were very successful. Thank you to everyone who donated goods for the Jumble Sale and St. Crux. We have a large collection of videos left. Does anyone know of a charity who would welcome these or of any other outlet – it seems a waste to throw them away. They will be kept until 31<sup>st</sup> May. Any ideas, please give me a ring on 01347 878 432.

Our next event is the Church Fete on Saturday 21<sup>st</sup> June which will be held in the Village Hall for the first time for a number of years as we don't have access to a garden this year – any offers gratefully received.

**And finally, does anyone know the family of Mary Hardy who is buried in the churchyard? I believe she has two sons. I would be grateful for any information. Please call 01347 878 432.**

## **FOSTON and THORNTON LE CLAY**

On March 26<sup>th</sup>, The Sydney Smith Association presented an entertainment which we called:

### **MR. SMITH GOES TO FOSTON**

or, in Sydney Smith's words:

### **A LONG AND IRKSOME BANISHMENT**

It was a play to mark the bicentenary of the Revd. Sydney Smith's move from Heslington, to his very newly built rectory at Foston in late March 1814, based on his writings, and the memories of his daughter Saba. Devised by Sam Taylor and performed by the Revd. Timmy Forbes Adam, Nigel Forbes Adam and Cal Stockbridge. The evening included two musical interludes by "A Garland of Flutes."

Mr. and Mrs. Charlie Forbes Adams kindly gave a wonderful reception at Skipwith Hall and the performance was at their own theatre. The evening was much enjoyed by friends of the Sydney Smith Association - 75 people attended and raised £580 for All Saint's Foston.

Thank you to all who attended our February Coffee Morning. Although not as busy as usual, we enjoyed seeing friends and catching up with village news. Thanks also to Nigel Tulley who has worked his magic with the gutters and hopefully rectified a persistent damp problem!

We were delighted that Foston School held their Easter Service in Church before the holidays and hope all the staff and children have enjoyed the break after a busy half term.

Three of us accompanied our Churchwardens to the Institution of our new Rector, Chris Wingfield at St Botolph's last week. It was lovely to meet Chris and his family and we look forward to moving forward together at the start of a new era for our churches.

## **GATE HELMSLEY**

It is sad to report the recent deaths of two of our older residents. Joyce Goodwin died in late January aged 87 at Prospect House, where she had recently moved from her long standing home, Long Acre, because of worsening health. Joyce, a quiet, unassuming lady always with a ready smile, was a stalwart member of St Mary's PCC. We extend sympathy to her daughter, Sue, son-in-law Barry and all the family.

Betty Townsend had spent most of her long life in Gate Helmsley. She died suddenly on 14<sup>th</sup> April at her home in Risewood at the age of 94. We

remember Betty for the years she spent managing delivery of the York Evening Press as it used to be known. Her late husband, Ron, was a great help at St Mary's, maintaining the churchyard in an immaculate state. Condolences are extended to Betty's daughters and to her son, Malcolm.

After living here for 36 years, Keith Potts has moved out of the village. Fortunately Keith will be living just down the road in Stamford Bridge, so hopefully he will still keep contact with all his friends in Gate Helmsley. Thanks are due to Keith for the years he spent as honorary treasurer of St Mary's PCC, and, of course, for the wonderful food he and his late wife, Christine, prepared for many church and village events. We wish Keith the best of everything in this new phase of his life.

On a cheerful note, we were pleased to welcome Grace Louise Dziemianko into the church through baptism. A very happy christening service was held at St Mary's on Sunday 23<sup>rd</sup> February, conducted by Reverend Jeremy Valentine.

Two fund-raising events have been held since Christmas. The parish lunch held at Orchard House on 19<sup>th</sup> January raised £600 for church funds, Thank you to all those who helped in any way to make this event a success.

Our thanks to Anne and Andrew Podmore for hosting a coffee morning at their home, Fox Farm, on 26<sup>th</sup> March and to all the many people who gave a helping hand at this event. Another £400 was raised for the Church.

The running of St Mary's church is as dependent on the money raised at such events, as it is on the contributions you make as parishioners. This is how the PCC pays the annual utility bills and covers maintenance and insurance costs for the church building, so please continue to support these efforts in whatever way you can. We are very grateful.

Apart from forthcoming events in aid of Pipe Up (for the restoration of the church organ), which are reported separately, our annual Strawberry Lunch will be held at Gate Helmsley Village Hall on Sunday 6<sup>th</sup> July at 12.30 pm. We look forward to seeing you there, so please book your place through the churchwardens (01759 372215 or 372320).

## “Pipe Up!”

**St Mary's, Gate** Helmsley Centenary Organ Restoration Fund

The Diocesan Advisory Committee considered our Faculty application at their meeting on 10<sup>th</sup> April and we hope that by the time you read this we

will have our Faculty! We also await the outcome of one of our grant applications – also expected by early May. Further applications will be sent to various possible sources of grants as their meeting timetables dictate over the next few months.

The organ indicates with increasing frequency that it is badly in need of restoration! Frustratingly it tends to complain just before or during a service, with sometimes rather unpleasant noises – or a complete lack of sound from one or other register on a couple of occasions. This requires some rapid re-thinking on the part of the organist – who, by the way, could also do with some rejuvenation!

**The fund has now passed £16000**, helped by some recent generous donations for which we are most grateful. Naturally we welcome all further contributions – great or small. Remember our pipe sponsorship scheme with the option to make a dedication and to record this for posterity in our sponsors' book.

You may recall the excellent afternoon spent last summer in the lovely garden of the Manor House - the home of Dick Garnons Williams. Dick has kindly agreed to open his garden again on the afternoon of **Sunday 1 June from 2.30 – 5.30pm**, with teas, cakes and other “goodies”. There will be stalls too. The event is earlier in the summer this time so the garden should be at its best. Look out for posters and fliers and contact Michael Harran for further information. There is ample parking opposite the Village Hall.

On **Saturday 27 September at 7pm the Stamford Bridge Singers** will entertain in the Village Hall Gate Helmsley. There will be a “pie and peas” supper. Final details will be in the next Circular, but mark the date because SBS events are always popular and ticket numbers will be limited!

The “Race Night” will now take place early next year.

For more information about the history of the organ, the restoration plans or to make a donation, contact Michael Harran – 01759 372215 or [mj@mharran.freeserve.co.uk](mailto:mj@mharran.freeserve.co.uk)

*This, and previous articles, together with a piece about the organ written for “Pipe Line” (the newsletter of the York and District Organists Association) can also be found in the St Mary’s Gate Helmsley section of the Benefice website ([www.sandhuttongroup.org.uk](http://www.sandhuttongroup.org.uk)).*

## SAND HUTTON

We welcome Chris and Thelma Wingfield and of course Alfie (the lovely dog) to our Community. For those who have as yet not met them wandering the streets, you have a treat in store! Chris is now the Rector of the Benefice of Harton and so we wish him and Thelma much happiness as they live and work amongst us.

Thank you Dot and Bryan for sharing your 160years birthday celebrations - we certainly had a great service at St. Marys church- so we leave you to tell us about your day-may you have many happy returns !

The following is an extract from a letter Dot and Bryan received from Revd. Pastor Mike Ely, who preached at the service:

*“It was a wonderful three days and will be long remembered. I am telling my friends that I was treated like king, and I was!....I shall long remember your church at Sand Hutton, and how the members of the church hold you both in such love and high esteem. Wonderful, and a great joy for me to witness. Please, please pass on my grateful thanks to ALL and give them ALL, my love and blessings”*

## FABRIC MAINTENANCE

The theme of much of our recent fund raising events has been for our church tower, in anticipation of the need for future attention to both stonework and spire. Recently our church architect undertook a high level survey to assess in detail what remedial works might be needed. We learnt that significant attention is required to areas of weathered stone together with complete renewal of the spires felt tiles. This work will have substantial financial implications for our PCC and application for external funding may well be necessary. We are therefore to launch our 'Tower Repair Project'. to progress these remedial works to ensure our lovely church building remains in good condition for many years to come. Future editions of 'The Circular' will report progress with the project and our fund raising events will continue to emphasis this need.
